

Minaminihon Total Logistics Service Inc., DENBA DISS Inc. and
Sunjin Logistics Co., Ltd. have established a joint venture company,
DENBA DISS KOREA Co.Ltd.

**Launched sales of DENBA products and supply of logistics solutions
utilizing such products in South Korea.**

Minaminihon Total Logistics Service Inc. with DENBA DISS Inc. (CEO Keiichiro Ozono, Head Office: Tokyo, hereinafter referred to as "Minaminihon Total Logistics Service") and the South Korean logistics company, Sunjin Logistics Co., Ltd. (headquartered in Seoul), established a new joint venture company, DENBA DISS KOREA Co., Ltd. on August 8, and launched a new business.

The new company, DENBA DISS KOREA Co., Ltd. will provide logistics solutions utilizing DENBA products in Korea. The new infrastructure of food distribution by Minaminihon Total Logistics Service Inc., which has shifted from temperature control to freshness management, has been successful in the domestic market inside Japan. In Korea, there are many challenges with the distribution of food products such as food loss etc., and a joint venture has been established to improve the distribution process in Korea by taking advantage of the strengths of both companies.
